

A hand-drawn diagram of a 4-track railway station layout. The diagram shows four horizontal tracks with various junctions and track lengths indicated by numbers. The top track is labeled '1045'. The second track from the top has a junction labeled '30' and a track length of '455'. The third track from the top has a junction labeled '285' and a track length of '120'. The bottom track has a junction labeled '120' and a track length of '120'. The diagram also shows several other junctions and track lengths, including '10', '330', '10', '180', '30', '150', '100', and '100'.
